SUMMARY

A highly motivated professional with a background in engineering, web development, and education, seeking to contribute my expertise in a dynamic and innovative environment. Passionate about leveraging technical skills, problem-solving abilities, and strategic thinking to enhance operational efficiency, product quality, and user experience. Committed to continuous learning and professional growth while delivering high-value solutions in engineering, technology, and education.

EDUCATION

Master In Management Engineering, Don Mariano Marcos Memorial State University Aug '23 — Apr '26
San Fernando City, La Union, Philippines

- Received the Academic Excellence Award, based on exceptional performance and outstanding achievements.
- Presented research at the “Advancing Knowledge Through Research: Innovations in Education, Science and Development” forum.
- Recognized for scholarly contribution through active engagement in academic discourse and dissemination of innovative ideas.
- Strengthened expertise in research communication, interdisciplinary collaboration, and knowledge advancement within education, science, and development.

Bachelor of Science in Mechanical Engineering, Don Mariano Marcos Memorial State University Aug '17 — Sep '22
San Fernando City, La Union, Philippines

- Represented the College of Engineering in multiple campus-wide debate competitions.
 - Delivered high-impact presentations recognized with the Best Speaker Award and the Second Place Team Award across several tournaments.
 - Honed skills in critical thinking, persuasive communication, and structured argumentation under competitive settings.
- Contributed to the team’s reputation for excellence through consistent performance and leadership in debates.

National Diploma in Marine Engineering, Merchant Seaman Academy Jan '15 — Jan '17
Akwa Ibom, Nigeria

AWARDS

Academic Excellence Award: "Master In Management Engineering" May '26
Don Mariano Marcos Memorial State University, La Union, Philippines.

Second Place Jan '22
Don Mariano Marcos Memorial State University, La Union, Philippines.
Campus-wide Debate Contest during the Student's Day Celebration with theme "Overcoming Challenges, Building Resilience, Sustaining Excellence."

Best Speaker Jan '23
Don Mariano Marcos Memorial State University, La Union, Philippines.
Campus-wide Debate Contest during the Student's Day Celebration with theme "Overcoming Challenges, Building Resilience, Sustaining Excellence."

Second Place Oct '19
Don Mariano Marcos Memorial State University, La Union, Philippines.
FOI Campus Caravan Debate Competition, with theme: "Seeking Truthful Information in the Digital Age through Freedom of Information."

Best Speaker

Don Mariano Marcos Memorial State University, La Union, Philippines.

Oct '19

FOI Campus Caravan Debate Competition, with theme: "Seeking Truthful Information in the Digital Age through Freedom of Information."

EXPERIENCE

ESL Instructor

Jan '23 — Present

Remote

Teaching English as a Second Language (TESL), Teaching English to Speakers of Other Languages (TESOL), and Teaching English as a Foreign Language (TEFL)

- Teach English to non-native speakers, focusing on grammar, pronunciation, and conversational skills.
- Develop customized lesson plans based on students' proficiency levels and learning goals.
- Utilize interactive and engaging teaching methods to enhance language acquisition.
- Assess student progress and provide constructive feedback for continuous improvement.

Front-End Developer

Jan '25 — Present

Remote

- Built a personal portfolio website to showcase projects and skills using React.js and CSS.
- Implemented a dynamic and responsive design for optimal viewing across devices.
- Project has been completed and deployed on GitHub pages. [<https://emperoar0147.github.io/my-portfolio/>] KitchenHall
- E-Commerce Website (In Development) Front-End Developer [2024]
- Designed and developed an interactive e-commerce platform for kitchen appliances using React.js.
- Focused on responsive UI/UX design to enhance customer experience.
- Implemented product categorization, shopping cart functionality, and secure authentication.
- Project is in development and currently undergoing testing.

Intern

Jul '22 — Sep '22

Alpha Aviation Group Philippines

- Conducted fire guarding, pre-flight, transit, and post
- flight inspections on aircraft at the ramp.
- Assisted in base maintenance procedures, including Phase 1, Phase 2, and Phase 3 aircraft maintenance.

Intern

Jan '14 — Dec '15

Okey and Sons Automobile

- Performed automobile diagnostics, servicing, and routine maintenance.
- Repaired and replaced mechanical components to improve vehicle performance

PROJECTS

Faculty Administration Management System (FAMS) at DMMMSU College of Engineering

Personal Portfolio Website

KitchenHall E-Commerce Platform

SKILLS

Engineering & Project Management Lean Six Sigma Black Belt, Plan-Do-Check-Act (PDCA) Methodology, Modern CAD for Mechanical Design Engineers, Construction Engineering Project Management, Project Management, Building Information Modeling (BIM), Solid grounding in Mechanical Engineering

Process Optimization Expertise in usability, efficiency, and continuous improvement from Management Engineering background.

Data & Research Experience in peer-reviewed publications, Stanford Medicine certifications, and rigorous academic research methods.

Software & Web Development Software Engineering (Frontend Specialization), Circuit Simulation Onramp, MATLAB Onramp, Simscape Onramp

Artificial Intelligence (AI) Prompt Engineering, Annotation, Structured Content Development, Engagement Optimization, Brand Identity Development, Brand Identity Design, Genre-Blending Concept, Visual Story Telling with AI

Education Academic Research, Academic Writing, Teaching English as a Second Language, Teaching English as a Foreign Language, Teaching English to Speakers of Other Language

Occupational Safety and Health Safety Officer 2

Creative Brand Building Founder and creative director of Sculpkennel, a distinctive dog breeding program brand emphasizing quality, care, and innovation.

Strategic Leadership Ability to map skills into portfolio frameworks, pitch ideas, and align them with academic or business goals. Ability to map skills into portfolio frameworks, and align them with academic or business goals.

Iterative Development & Continuous Improvement Experienced in refining creative and academic projects through genre-blending techniques and ongoing feedback cycles.

Communication & Public Speaking Award-winning speaker recognized for clarity, persuasion, and impactful delivery.

Analytical Reasoning & Critical Thinking Skilled in constructing structured arguments and evaluating complex issues.

Leadership & Team Collaboration Contributed to team success with multiple awards, demonstrating strategic leadership and cooperative performance.

Languages English, Igbo, Hausa

CERTIFICATIONS AND COURSES

Lean Six Sigma Black Belt

Certificate of Participation and Scholarly contribution, 2026 Graduate Research Forum: "Advancing Knowledge Through Research: Innovations in Education, Science and Development", Don Mariano Marcos Memorial State University- College of Graduate Studies

PLAN DO CHECK ACT (PDCA) Methodology

Occupational Safety and Health (Safety Officer 2)

Software Engineering and Web Development, ALX Africa

AI Starter Kit, ALX Africa

Fundamentals of Data-Driven Precision Medicine for Diabetes, Stanford Medicine, Department of Genetics

Fundamentals of AI/ML in Precision Medicine, Stanford Medicine, Department of Genetics

Fundamentals of Data-Driven Precision Medicine for Diabetes, Stanford Medicine, Department of Genetics

Teaching English to Speakers of Other Language

Teaching English as a Foreign Language

Teaching English as a Second Language

Certificate of Participation: School Safety & Disaster Preparedness, Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

MATHLAB Onramp, MathWorks / Training Services

Certificate of Attendance: Training and Master Class on Construction Engineering Project Management, Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Completion: Training Masterclass on "Modern CAD for Modern Mechanical Design Engineers", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "Building Information Modelling, a new trend in Building Construction. A Gateway to Virtual Design Construction and DfMA", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "HVAC System Design of Field Auxiliary Building for Liquefied Natural Gas Plant", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "MENTAL HEALTH AWARENESS; MIND YOUR MIND", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "Entrepreneurship As An Opportunity For Me", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "ECO-FRIENDLY CEMENT PLANT", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "Fundamentals of Fire and Smoke Engineering", Philippines Society of Mechanical Engineers (PSME) Student Unit - DMMMSU - MLUC

Certificate of Participation: "Virtual Information, Education and Communication Campaign on Alternative Fuels Programs and Emerging Energy Technologies", Department of Energy Utilization Management Bureau - Alternative Fuels and Energy Technology Division Philippines

Certificate of Participation: "Seminar on Boiler Operation and Maintenance", Tarlac State University, College of Engineering and Technology. Philippines Society of Mechanical Engineers (PSME) Student Unit - Tarlac State University

Certificate of Participation: "Document Processing", FilPass
